ALAN AZIZ

GADGETS & TECH CREATOR · KUALA LUMPUR · 25 OCT 2026

ABOUT ME

Hi, I'm Alan. I make tests and reviews of creator gear and tech: mics, lights, cameras and phones, filmed in my studio in Kuala Lumpur.

I didn't set out to become an influencer. I started because I had opinions and needed somewhere to put them. I don't review for myself. I review for the person doing their research before they buy.
